“Faith Community — Come Catch the Spirit!”

- † **Worship-Centered:** with a blend of old and new, we offer a unique worship style.
- † **Bible-Centered:** When it comes to our scripture readings and our sermons, worshipers are encouraged to follow along with their pew bibles as we “dig together” into the Word of God.
- † **Prayer-Centered:** worshipers are encouraged to openly share their own prayer petitions. It is so inspiring to hear faithful prayers being lifted from worshipers of all ages, 3 to 93.
- † **Visitor-Friendly:** We encourage our worshipers to get involved! We welcome new faces and new ideas in all of the many ministries here at Faith!

The Celebration of Worship

14th Sunday after Pentecost

Before worship, talk to God. During worship, let God talk to you.

After worship, talk to your fellow worshiper.

Here at Faith Community Lutheran... We almost always follow the traditional order of worship familiar to most Lutherans, but usually our services are a “blend” of old and new music. As Lutherans, we view ourselves as a church of “Word & Sacrament.” Therefore, “God’s Word” is held in high esteem as we follow lessons and sermon with our Bibles open. *FCLC is among a growing number of Lutheran Churches committed to celebrating the Sacrament of Holy Communion every week, including the baptized of all ages. As we begin our worship, all are invited to “examine themselves” (1 Cor.11:28) during the Confession as we prepare to receive the Word and Holy Communion. Children of all ages may receive the sacrament! However, if parents prefer, small children may receive a grape given with the words, “Welcome to the Lord’s Table.”*

30 Years of Faith!

Humility

Have you noticed that the concept of humility seems to be losing ground in the 21st century? Most often, people are seeking the biggest, best, first, most, top, finest, etc. Humility has been shoved to "doormat" status.

Our Savior was not born in a palace, but in a stable. He has shown us how to have a servant's heart with His life. Our gospel lesson in Luke 14 tells us that Jesus noticed people trying to sit at the places of honor (the BEST places) at a dinner. He tells them in parable form not to sit themselves in places of honor, because they may be asked to move down. Rather, they should sit in the lowest places. Then, the host may ask them to move up and they will be honored.

In seeking to be humble, we must continually look at our motives and attitudes. We need to remember who we are in Christ. Without Christ we are people with no hope.

Without Him we are nothing. The opposite of humility is pridefulness and arrogance, but we have only one thing to be prideful and boastful about. It is Christ--and Him crucified!

Help us Lord to walk each day humbly with You. Amen

Wanda Gwinn

FAITHBOOK

TIP #5

If you feel that you are receiving too many e-mails from **Faith Community Lutheran**, you can easily remedy this by adjusting your personal communication settings in FAITHBOOK!

1. Log into CCB (FAITHBOOK!) and go the 'My Profile' tab
2. Click on the "Change Settings" on the right
3. Click on "Communication Settings" (middle choice).

Here you will find 4 choices for receiving communication from the church and each of the groups of which you are a member

1) **Send me emails from group participants** ***Receive group communications from the group leader, event invitations, and information about volunteering and helping those in need.

2) **Send comments to me immediately** ***Participate in online conversations as they happen. {color:red} (This will, though, fill up your in-box pretty quickly.)

3) **Send me a weekly summary of group activity** ***Receive a single email generated by the system for all your groups' activities (events, comments, needs, positions and files) for the week. **If you want to keep your in-box uncluttered, I recommend this option for most of your groups.**

4) **Send me text messages from group leaders** ***Follow on screen instructions to set this up simply check or uncheck the boxes that best fit your communication needs. Towards the bottom of the page you have the option to set your own default settings, for future group use, so you don't have to come back in and change these options as you get more plugged in. ***REMEMBER that this is the main source of church communication, so please do not remove your e-mail address from the database.***

Don't forget to click the "SAVE SETTINGS" at the bottom of the page!
